Let's make 2011 another great year for Gary Myhr, our new Commodore. We have a lot of activities coming up with parties and get-togethers at the clubhouse and quite a few cruises set. Be sure to check out our social calendar and mark the dates of the events you would like to attend.

LYC is looking for young ladies who would like to serve as our **Daughter of Neptune for 2011**. Candidates must be 14 - 17 years old and related to a member.

If you know of a young lady who might be interested, please contact Laura Norton 636-0103 or Kathy Evans 577-6272 for details.

HOUSE MATTERS

We will be scheduling the 2011 work parties in the near future. Work parties have normally been scheduled for the Saturday after the general membership meeting. At the November 29 board meeting work party credits were increased from \$50 to \$60 per work party beginning in 2011. Members will still be expected to attend four (4) scheduled work parties each year. One work party credit will be given for preparing lunch or two if the member also furnishes the food. Any work done outside of the scheduled work parties must have prior approval from the Port Captain or the

House Committee Chairman. I am looking for a few members that would be willing to complete the Backflow Prevention project that has to be completed and inspected by August 2011.

Installation of this system will prevent the unwanted flow of non-potable substances back into our plumbing system and/or the public water system. We have 4 locations that need these Backflow Prevention Connections. If you would be willing to work on this project please let me know.

House Committee Chairman
