COMMODORE'S CORNER

Dear LYC Members,

Reflecting on our club's activities in 2011, as Commodore, I appreciate the many ways in which club members helped me and each other. It was a year for a lot of casual good times together at the clubhouse and on the water, great member turnouts for our annual events and fundraisers, and the support of many volunteers in making things happen. The club is fortunate to have eight new participating members who joined us in 2011 and look forward to the club's boating adventures together this coming year.

The many that helped and volunteered in a variety of tasks provided me a very pleasant positive experience

in my role.

A reminder to all, there will be no general meeting in January. I look forward to seeing many of you at the Commodore's Ball, January 28th when we welcome in a great new board with Mike Woods as our Commodore. It is my hope that members find opportunity to just hang out at the clubhouse to relax and watch a game or two and that we all have a chance for winter-time cruises on peaceful waters. Happy New Year - - boating adventures to all! - -

Commodore Gary Myhr

MATTERS OF THE HOUSE

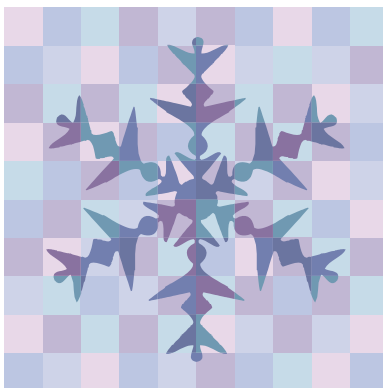

- ◆ **Moorage**—Open moorage spaces F-11/12 and X-15 are now open for bid. F-11/12 is listed as an open moorage space not to exceed 56 ' in length. Space X-15 is listed as an open moorage space not to exceed 29 ' . Bids for these spaces will be accepted until the publication of the February newsletter. If you are interested in either space, please notify me via email (crprynne@comcast.net) or USPS (1330 25th Ave.) Open moorage spaces are awarded based on "seniority of membership...subject hosever, to the compatibility in size and shape of the boat to be moored in such space.

- ◆ **Inspections**— Boat house inspections were completed at the last work party of 2011. If there were any deficiencies that needed to be corrected, you should have received notification in the mail.
- ◆ **2 Deep Diving** -- has completed installing flotation to member ' s boathouses and a couple of dock areas. They also eliminated a couple of hazards in the X dock area.
- ◆ **Piling Project**—Progress continues in acquiring the necessary permits to replace piling on H, I, and J dock areas for 2012.
