COMMODORE'S CORNER

I'm sorry I couldn't attend the Crab Feed last weekend. By all reports it was a great party and everyone who was there had a good time. Many thanks to all the volunteers who helped make it successful.

Our next event is the annual cruise to Astoria and the Seafood Festival. Cruise Chairman Tom Norton says that space in the Astoria boat basin is limited, especially for those who need power. If you plan to cruise to Astoria, please call Tom as soon as possible so that he can reserve you a spot. His home phone is 976-2078, and his cell is 749-3183.

Our first work party is coming up on March 24. If your

schedule doesn't allow you to make a Saturday work party, please call Ray at home at 636-0638 or on his cell at 751-0672. He will be happy to make

arrangements for you to get work party credits by helping out at a time more convenient for you. Ray also has projects that would be appropriate for those who have physical limitations, so there are lots of opportunities to earn work party credits.

Starting with the April Newsletter, we are going to try including a Classifieds section where members can offer boats, boat-houses, and other nautical items for sale. So, if you have an item that you would like to sell, please send me an email

.....at mgwoods722@gmail.com and describe the item, how to contact you, and your asking price. I will make sure it goes into the April Newsletter. You can also let Dave Williams know the particulars and he can pass the information on.

It will soon be spring and time to wash the green gunk off our boats to get ready for cruising. Dave has the water turned on and the pressure washers ready to go. Warmer days are coming.
