COMMODORE'S CORNER

Our 80th Anniversary celebration is coming up on Saturday, September 22, so please mark your calendars. It will be a prime rib dinner, prepared by Gary Homme and organized by Maila Cadd. Many thanks to Gary and Maila for putting this party together. Because of the cost of the prime rib, we will need to know in advance how many people plan to attend. A Flyer will be coming out soon. Please be sure to RSVP so that Gary and Maila will know how many people to expect. It will be a great party and a fitting celebration of

80 years of comradeship and fun on the water.

Unfortunately, we have had a couple of thefts of valuable property during the last couple of months.

A pressure washer was stolen off the dock, and a rental weed eater that was to be used for a work party was stolen just before the work party was to begin. Members should be aware of the increased incidence of theft and keep valuable items locked up. It is best not to leave valuable items unattended in areas where casual passers by might see them.

MATTERS OF THE HOUSE

Moorage— Open moorage space X - 13 is awarded to Pete and Kat Pettersen. At this time there are no other open moorage spaces available.

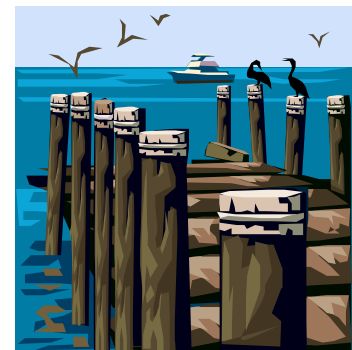

Boathouse spot I-4 is open for bid. This space will accommodate a boathouse 23 x 35. Bidding will be open for the month of September. If you are interested in this spot please notify me via email (cprynne@comcast.net) or USPS to 1330 25th Ave, Longview, WA 98632.

House Report— Sessions Plumbing will be at the club on Wednesday

morning September 5 to complete the annual recertification of the Backflow Prevention Assemblies that were installed last year. We are required by the City of Longview to have these inspected and certified annually. There may be a short interruption to the water supply as this is completed. Our next scheduled work party is September 22.

Thanks to Dennis McCrady's good work, we have obtained the final permit needed to install sheet piling to protect the concrete base of the gangway leading to the clubhouse. The piling will be driven sometime in September, and the job will probably take a couple of days. Dennis will need a few people to act as flaggers on the roadway while the work is being done.

Let's have a great fall and a fun 80th Anniversary celebration. Commodore Mike
