COMMODORE'S CORNER

Boating season is in full swing. It's now officially OK to get out on the water! I may be a little late in announcing this since we have already had 3 cruises. Opening Day was a lot of fun. Nothing like sailing in a 25 knot breeze against an outgoing tide in spring run-off season around Little Cape Horn to get the blood pumping! Special thanks to Rob & Becky Hamilton and Ken & Liz McAllister for your work on the whole Opening Day event. And thanks to everyone who participated in the celebration and parade! Also, thanks to Jim Cadd for coordinating all 3 cruises. I especially appreciate Dennis McCrady's help testing out my theory that 6 feet of water is deeper in Cathlamet than in Longview. It's not true!

I have it on good authority that June will be drier than May. It will be a really nice month for boating as well as for some camaraderie at the Club. The June meeting will include a potluck. Please plan to attend and bring a dish and your favorite beverage. The work party on the 15th is a great time to meet people and help keep our facilities clean and neat. Please keep in mind there are only 6 scheduled work parties this year.

We will need help with several events including Bald Eagle Days, Cheeseburger in Paradise and the Spaghetti Feed. Please get ahold of Rob Hamilton if you would be willing to chip in!

MATTERS OF THE HOUSE

Moorage—

Boat house space H - 5 is awarded to Gary Homme. Open moorage space X - 5 is awarded to Kat and Pete Pettersen. With this move moorage space X - 13 will be open. Space X - 13 is on the outside of X dock and will hold a 38' (LOA) boat. Bids will be accepted until the publication of the July newsletter. Bids must be submitted via USPS or email and will be awarded "on the basis of seniority, subject, however, to the compatibility in size and shape of the boat sought to be moored is such space."

House Matters—

The next scheduled work party is JUNE 15. There is no work party in May. I currently

have 9 members that have contacted me about adding flotation. If you would like to be added to the list please contact me. As I get more information I will let you know, we still have plenty of time.

A Word of Appreciation

Ron Evans called me the other day and requested a note be put in the newsletter thanking Ken & Liz McAllister for all the work they did on Reciprocity with other yacht clubs.

Ron & Kathy are benefitting greatly from this. They have stayed in many of the marina's in the Straits and Puget Sound area over the last month and have been met with wonderful hospitality, new friends and great moorage! They have been loaned an electric car to go to the

grocery store, been chauffeured to their son's graduation in Olympia and many other acts of kindness.

This would not be possible with our Reciprocity Agreements with these other clubs. All you need is your LYC Membership cards and a friendly smile!

Thanks again!

From the Social Committee:

Thanks to all who helped make Opening Day successful! This was the first time for Rob & Becky to participate in an Opening Day. We're going to have to get some white pants before we bring the boat back to the River! (White pants on boats?? Probably need a new pair each year!)

Thanks to Donna who volunteered to coordinate the Steak Dinner for the PYC cruise this summer. Still looking for someone to coordinate the Cheeseburgers in Paradise and Commodore's Ball events.

We will be out of the area from late June through mid-September: we're cruising to the N BC coast (also known as the Great Bear Rainforest).

Becky & Rob Hamilton

Request:

Due to the hard work of all the members participating in the monthly work parties, the yacht club's docks and property are kept in good repair.

We can all be a help to the House Chair by alerting Ray to any problem areas that you might become aware of, or by bringing up any ideas that you think might improve safety or usability by emailing him or talking to a board member.

We highly recommend

taking the short cruise over to Bat Water Station. Michael and Corrine did a fantastic job of welcoming us, even inviting us into their floating home to eat our meals along with them, as the weather was too wet to eat outside. Four boats from our club enjoyed a memorable weekend! They have many amenities available and as the season begins to dry out, there would be even more options. It would be great if the Longview Yacht Club could get together again for another trip to our close neighbors.
