COMMODORE'S CORNER

What a great time to be a member of the Longview Yacht Club! 2013 is shaping up to be a fantastic year. The Commodore's Ball was wonderful, thanks to Debbie Lee & crew. We'll never hear a Patsy Cline tune again without thinking of Maila! Rob & Becky Hamilton have stepped up to be our new Social Chairpeople and the opportunity is there to get involved. Please consider signing up to help at one or more of the events throughout the year. Next event is the Crab Feed. Please see the attached flyer.

We will be voting on a bylaw change at the next meeting, 2/11. You should have a copy of the proposal in your mailbox this week.

Please plan to attend and make your voice heard.

We have 7 concrete jersey barriers for sale. We have an estimated value of \$150 each from a company that sells new ones and a current offer for \$300 for the lot from a member. If anyone else is interested, please contact Cal at 360-749-0897 or email

cal@prography.com.

They will be sold to the highest bidder. In case of a tie, they will be sold to the most senior member. Removal is the responsibility of the purchaser. Please be step carefully on the docks! They are in really good shape thanks to last year's work party crews, but they can get slippery when wet.

I am very pleased to announce that Ray Prynne has agreed to stay on a House Committee Chair! His leadership over the past years has been invaluable in maintaining and improving our club facilities. Also, thanks to

MATTERS OF THE HOUSE

Moorage—

Mike Fudge has been awarded open moorage space X - 20. Boat house spot G-1 was awarded to Ken & Liz McAllister and J -4 was awarded to Doug & Kathy Stafford.

House Matters—

2012 Work Party Summary:

- 9 regularly scheduled and 3+ “special” work parties
- 108 members listed on the work party roster
- 76 different members participated
- 49 of those participated in 4 or more work parties.

Accomplishments -- "BASIC" maintenance of the club such as painting, pressure washing, staining, weed-eating, spraying, scrubbing, pulling weeds, repairing and re-

placing water lines, clearing debris, inspecting boats and boathouses, replacing fire extinguisher boxes and covers, replacing, repairing and rebuilding docks, preparing and serving lunches, installing new electrical service lines, planning and organizing the new piling, moving, replacing, re-chaining boathouses, etc., etc., etc.

Thank you for the time, energy, and expertise you gave as a member of the Longview Yacht Club to maintain and improve our small slice of heaven.

Ray Prynn 3 60-751-0672

(Commodore's Corner, cont. from page 1) Dennis McCrady, Jim Cadd, Robert Grimes and Chris Erickson for renewing their positions on that committee. And Thanks for Dave Williams for working with them as Port Captain.

We will be reducing the number of work parties to 6 in 2013. Those will be in March, April, June, August, September, and October and will generally be on the Saturday following the general membership meeting. Members are still required to attend 4 work parties or make alternate arrangements with Ray as early in the year as possible. There are always projects that can be done at other times. The other alternative is to pay \$60 for each of the 4 that you miss.

Also, the board recommends a yes vote on our newest applicants: Walter & Marta Crichlow. They will be voted on during the February General Membership meeting.

Spring is right around the corner! Before you know it, it'll be Opening Day. Look forward to a safe and fun boating season!

1st Lady's Place

A new year is upon us. And many ways to be a part of the yacht club. We encourage the new members to attend the meetings and functions. You will have fun getting to know the other members.

Please feel free to call Cal (749-0897) or myself (749-1849), if you have any questions or concerns. Can't wait to meet you and socialize with you all.

I do have some dates for the Ladies Nights out at the other yacht clubs.

Please put in your calendars April 4, 2013 to PYC. May 16, 2013 at RCYC and October 2, 2013 to CRYC. I will have more information soon.

If you were at the Commodores Ball on January 26, you saw many of us Line Dancing. Many years ago we had Line Dancing lessons at LYC. Singles and couples had a wonderful time learning a new talent. We would like to bring Line Dancing back this year, either for March or April. If you are interested by February 17th, please call or email Marjory at 749-1849 or email to marjory@prography.com.

Remember to do an act of kindness each day.

Thank you, Marjory

Upcoming Navigation Class and Other Training

Pete Pettersen is putting together a 2 hour class on navigating up the coast.

Would like to receive an list of questions via email that folks would want specially covered. Email to hpettersen@hotmail.com. No date yet, probably in early March.

We are also considering leading a small flotilla of interested folks going up to Westport, spend the night, then on up to Neah Bay, spend another night and returning the same way. Don't have the dates or details but would like to get folks thinking about this.
