**TO ALL THE FRIENDS OF COMMODORE JANET HUCK**

It is with great sadness that I have just received the news that WYC Commodore Janet Huck has passed away this morning (September 30<sup>th</sup>). She has been very ill for some time and recently she suffered more than anyone should. Many of us knew her as a very caring person that put much of her life into her family, club and her many friends. She will be missed not only by her club members but all boaters on the river as well. She loved life and lived it to the fullest. You could always count on her to give a helping hand to any task that needed to be done.

Funeral arrangements are being made and will be made known to everyone as soon as I hear from Andy. Both Andy and Janet have one request in her memory. "Enjoy each other and life to the fullest".
