The **Columbia River Yacht Club** takes pleasure in introducing its Officers for 2010.

Commodore	Ric Carey	(503) 789-8790
Vice Commodore	Chris Taylor	(503) 781-7150
Rear Commodore	Ron Estey	(503) 502-7681

We cordially extend our friendship and offer reciprocal privileges to your members for another boating season. Your courtesy card remains valid "Until Revoked". Please let us know if you do not have our card in your file and we will send one. You may also visit our website [www.cryc.com](http://www.cryc.com) for current information and activities.

Due to insurance and DEQ concerns, we have had to limit access to our fuel dock to those boats that are registered as Guests at our A-Dock and to reciprocal yacht clubs to the west of Cathlamet, WA and east of Bonneville Dam. Exceptions to these guidelines are Christmas Ships and Sea Scouts.

Your members are invited to make use of the CRYC Guest dock (A-Dock) when cruising the Portland/Vancouver area. We ask that visitors fly their Club burgee and sign in at the CRYC office. Our Guest Dock has 30 and 50 amp service. There is a charge of \$3.00 per day for 30 amp service and \$5.00 per day for 50 amp service for members and guests. We provide fresh water and we have a fuel dock for boats registered as Guests at our Club. If your stay goes beyond 1 day, there is a charge per day starting the 2nd day. The charge is based on the length of your vessel and is \$.25 per linear foot. A-Dock privileges are granted to captains of boats that comply with our insurance requirements. The minimum amount of coverage shall be \$1,000,000.00 combined limit per occurrence, with not less than \$300.00.00 of coverage for environmental cleanup and remediation. In addition, Columbia River Yacht Club must be listed as "additional insured" on the insurance certificate. Our address is:
