You may check in at the courtesy dock, and then find a vacant guest moorage slip locate on H dock in front of the Marina office. Visiting vessels must display their club burgee at all times while using FBYC facilities. Visitors should be able to present a current yacht club membership card if requested. Dock rules are posted at the head of the ramp and on the bulletin board near the exit gate.

Visitors must fill out the Guest Register upon arrival. Visits are limited to a total of three (3) days per calendar year. The cost of power is \$4 US charge per day. Each slip has dockside water and 30-amp power. An 'Honor Box' for moorage fees is located on the dock. You'll find restrooms, showers, and laundry at the head of the dock next to the Port of Edmonds office. Prior arrangements for the use of the Clubhouse need to be made with a Bridge Officer prior to arrival.

We hope your members enjoy their visit to our facility. Questions can be directed to any of our officers by phone or email EYCsecretary@aol.com or my personal email JWelsh6002@Comcast.net.
