We extend our reciprocal moorage privileges to your club members again in 2011 and beyond. Our previous "Good Until Revoked" Reciprocal Card remains in effect. Our reciprocal procedures are set forth on our website located at <http://kcyc.org/>. After docking, please register at the Port Office and show your current reciprocal yacht club membership card. You will receive the combination to the restrooms and laundry facilities from Port personnel when you register. Please fly your burgee while docked in our reciprocal moorage.

We invite you to the marina to enjoy Kingston and our club facilities. The clubhouse is adjacent to the marina and is open on Friday evenings from 6 to 9 for Happy Hour. The clubhouse is a rental facility and has many rental openings available for your Yacht Club cruises and events. The clubhouse has proven to be a popular destination over the years with many clubs for their functions. Information can be obtained from our rental manager, Peggy Barnsness at 360-297-3371.

Good Cruising!
