Reciprocal privileges are as follows:

- Moorage at Shilshole Marina guest docks
- SSYC will reimburse up to two nights stay per 30 days per boat
- Maximum number of boats per club per visit is two
- Maximum vessel length reimbursed is 40 feet

Please send receipts from Shilshole Marina to SSYC at the above address for reimbursement.

The north entrance to Shilshole Marina is located at 47° 41'300" N, 122° 24' 300"W. Marina information can be found at <http://www.portseattle.org/seaport/marinas/shilshole/>.

Please contact SSYC or visit our website at www.ssyc.com if you have any questions.

Single yacht club members are invited to participate in our weekly club meetings. Singles and married couples are invited to all of our dances and other events. Please check our website for dance night and other announcements.

We invite you to participate in the 2011 Northwest Harvest benefit race, dinner and dance on Saturday, September 10 at Shilshole Marina. The 2010 race featured 23 entries in five classes. The event raised over \$18,500.00 and collected over 2500 lbs. of food that was donated to Northwest Harvest.

The officers and members of SSYC welcome you and your members. We wish each of you fair seas, safe boating, and a very pleasant cruising year.

Cordially,

David Hostvedt
